Objective

An enthusiastic B.Tech (CSE) fresher seeking challenging position in an IT related company offering responsibility and opportunities for progression.

Aim of My Project

To achieve real time implementation in social network environment using scalable learning of collective behavior.

Academic Qualification

➤ **B.Tech (Computer Science and Engineering)**

University : UPTU (Uttar Pradesh Technical University)
College : Bharat Institute of Technology (BIT), Meerut
Year : 2010-2014
Grade : 67.56%

➤ **12th (Intermediate) Schooling**

Education Board : Uttar Pradesh Education Board School
Name : S.N. Inter College Indaipur
Year : 2010
Grade : 63.8%

➤ **10th (higher) Schooling**

Education Board : Uttar Pradesh Education Board
School Name : K.P.V.V. High School Ram Nagar
Year : 2008
Grade : 59.67%

Strengths

- I communicate well with others
- I'm self-confident and can mould myself to all work environments
- Comprehensive problem solving abilities
- willingness to learn team facilitator hard worker

Technical Skills

- **Networking: (CCNA Technology)**
 - Routers, Switches, IP Addressing, TCP/IP & OSI
 - IP Routing (Static & Dynamic), LAN Switching, IPv4 & IPv6
 - Router configuration, WAN Technology & Basic Troubleshooting
- **Window Administration: (MCSE Technology)**
 - Installation and Configuration Window Server 2012
 - Active Directory Domain Services, DNS, DHCP and IIS servers
 - Define and Assign window group/users policies
- **Linux Administration: (RHCE Technology)**
 - Installation and Configuration Linux Desktops & Servers
 - Linux network administration, User & Group administration
 - Disk partitions, File system mounting, NFS
 - Servers: DHCP, NIS, DNS, Mail, Web

- > **Languages:**
 - C Programming
 - Shell Scripting
 - Core Java – Basic Knowledge
 - HTML,CSS, XML

Professional Trainings & Certificates

- > **CCNA** – Cisco Training from Zoom Technologies Hyderabad (2015)
- > **MCSE** - Microsoft Training from Zoom Technologies Hyderabad (2015)
- > **RHCE** – Linux Training from Zoom Technologies Hyderabad (2015)
- > **Hardware & Networking** –form Zoom Technologies Hyderabad (2015)

Project Work

- > **Project 1: Cisco Network Architecture** - Under Training CCNA

Successfully completed the dummy network designing project under Zoom Technologies Hyderabad as a Trainee Network Admin. Project covered the configuration of Routers, Routing technology, IP addressing and monitoring of network like health monitoring of Routers and Switches. Used all skills like Routing Technology, IPv4 addressing, Switching covered in CCNA

- > **Project 2: Window Administration** - Under Training MCSE

Working as a Trainee Sever Administrator I successfully completed this assigned project which covers implementation, monitoring, basic troubleshooting of Window Server 2012, configuration of Active Directory (AD), assign and define user/group policies, Configuration and Monitoring of DNS, DHCP, Web (HTTP) & Network file sharing.

- > **Project 3: Linux Administration** - Under Training RHCE

As a Trainee Linux Administrator I successfully completed the Linux administration project under Zoom Technologies Hyderabad which covers User and Group administration, Disk partitions, mounting file systems, Backup and recovery, Virtualization and configuration of DHCP, DNS, Mail, Web, FTP.

Interests & Hobbies

- > Reading Technical books
- > Watching Movies
- > Social Networking

Declaration

I hereby certify that all the information provided above is true to the best of my knowledge and belief.
